OFFICE OF THE SECRETARY, MYSORE GOVERNMENT INSURANCE DEPARTMENT, BANGALORE.

Circular No. 3, dated ... November 1969.

Subject:—Insurance of vehicles owned by Government and Quasi-Government Bodies, etc. (Under Rule 59 of Insurance Amendment Act, 1968).

Kind reference is invited to Rule 59 reproduced below for all Government Departments.

"Rule 59 made under Section 64VB of the Insurance Amendment Act, 1968, provides that in respect of Policies issued to Government and Semi-Government Bodies, "The risk may be covered on such Policies on the strength of an undertaking by proposer to pay the premium within 30 days of the date of intimation of the amount of premium or within such further period as the Controller of Insurance may fix in any particular Case".

It will be noticed that the Section 64 VB makes it mandatory on an insurer to receive premium in advance before the risk is covered but Rule 59 quoted above provides a relaxation in respect of Policies issued to Government and Quasi-Government Bodies.

In view of the abovesaid Rule, Head of Government Departments and Officers concerned are requested to arrange for payment of the Insurance premium within 30 days from the expiry of Insurance Certificates to avail the benefit of Special No Claim Bonus and No Claim Bonus in cases of renewals. Further it may be noted that the date of payment of full premium will be the date of risk If the premium amount is not paid within 30 days, the case will be treated as fresh case disallowing No Claim Bonus and Special No Claim Bonus.

The officers are requested kindly to co-operate and see that the premiums are paid within 30 days as noted above and this will come into effect from the date of Notification into Gazette.
